Welcome to you and family...

How to register with Camp Australia

We look forward to welcoming your child to Outside School Hours Care (OSHC) however first we ask that you visit our website www.campaustralia.com.au and register for an account today...

One of the most important tasks when becoming a new member of our OSHC family is to register for an account. This enables you to update all your details and view and create bookings. You can also create a permanent booking schedule.

Registering for an account

- The first step is to visit our website www.campaustralia.com.au
- Locate the registration link
- Simply click on “CLICK HERE TO REGISTER” (as shown here, circled in red) and you will be taken to a step by step registration wizard
- Following a brief introduction and outline of the process, you will find the link to begin at the bottom of the screen titled “CLICK HERE TO START THE ENROLMENT PROCESS”

There are 6 steps you need to complete before your account is created. For government compliance purposes and for the safety of your children, we need you to be as accurate as possible and fill in all the required information.

Camp Australia does not pass on your information to third parties and all the details you enter on our website are sent to us in a secure format to guarantee your privacy.

What if I’ve used Camp Australia before?

Some of you may have used our services before, either for other Holiday or OSHC programs, sports clubs or even events.

In this case, it is likely you will have an account already and rather than registering your details again, simply contact our Customer Service team on 1300 105 343 8am—6pm (EST) Monday to Friday and we can activate your account straight away.
