

# Vegemania!

Dorset Primary School Production for 2009

Preparations are well underway for our 2009 school production *Vegemania*, taking place at the Careforce Church in Mount Evelyn, on Monday 7<sup>th</sup> September and Tuesday 8<sup>th</sup> September.

The children have started practising their items in both music sessions and their classroom. More information regarding the show, including costuming, ticketing and the nights children will need to attend, will be coming home in the first few weeks of Term 3.

In the meanwhile, we are still after interested helpers from the school community, for help in areas such as collecting materials, making & painting sets, designing and making costumes, make up & hair, amongst others. If you able to lend a little (or a lot) of your time, either at home, at school or on the night, then please see Mr. Fox in the music room ASAP.

Finally, we are starting to collect items for use in the show. If you are able to donate any of the following items, please see Mr. Fox in the music room.

- Lengths of material / fabric for costumes
- 'Vegetable' costumes in bright colours eg. carrots, tomatoes, capsicums, etc
- Gardening props and other similar items for display
- Gardening or environmental memorabilia (especially anything with a vegetable theme)
- Timber off cuts
- Sheets of heavy cardboard for use in sets
- Any other construction type materials for sets, props, costumes, etc

We are all looking forward to a great Term 3 and a fantastic school production.

Thanks

Simon Fox and the Performing Arts Committee
