Our transition program has been developed to give children an opportunity to visit our school on a regular basis to experience all aspects of school life before their first year at school.

At Dorset Primary School we believe that educational experiences are enhanced by close co-operation between home and school. We know parental involvement is an integral part of student learning and development.

Our school encourages an ‘open door’ approach where parent and community contribution and participation are valued.

Transition sessions times for children will be on Fridays 2:20-3:20pm
Tea and coffee is available for parents in the staffroom at this time.
