2B Newsletter!
Term 1, 2015

Harold from the Life Education Van came to visit us at school!

We have been learning about how important it is to eat healthy.

We have been doing cooking every Tuesday, and we have enjoyed making yummy things.

We have been getting a lot of practice at being able to read independently!

Kirsten has been making some wonderful things in Art with us.

We had lots of fun dancing at the Prep - Grade 2 Disco!
