1. Fundraising Timetable – It was approved late last year and is ok with a few small changes… It has gone out to parents.

2. School BBQ – Look at running a sausage sizzle in Term 4 as a fundraiser for the Relay for Life.

3. Trivia Night – every year or bi-annually. We decided every second year would be sufficient

4. Acknowledgements: Next meeting we are anticipating there will be a lot of them with the Fete and Father Day stall.

5a. End of Term Disco: 19th September Same prices as normal. $4 if students purchase all.
-No notices have gone out yet.

5b. Footy day and parade: 9th September – No charge for free dress

6. Chocolates:- Questions raised about the 3 x $300 prizes. We will look at changing this for next year based on what we made.

7. Structure Change: We will put an advertising board together to involve the school community in running these events. We are trying to engage our 9:00/3:30 parent community in planning ongoing fundraising activities. This has been very successful. Lots of contributions and offers of help. New parents stepping up to assist.

8. Father’s Day Stall – Tegan Murray, Nic B, Terry B, Jane B will be organising this. Wednesday 3rd September is locked in.
-All items for Father’s Day stall have been purchased and packaged.
-Tegan seems to be on track. She had a couple of questions. It will be in the gym from 9:30-1:30.
-Note going home to parents tomorrow. There will be a parent on the raffle ticket table to ensure all students have bought something.

9. Fete: Bek Stolk and the committee are doing a great job with organising this. On track and going well – see attachment.
-We are still in need for coordinators for the some stalls.
-It is being finalised where rides will be going.
-Books are going to the library and also to the prep classes.
-Ben is still chasing police checks for some organisations.
-Food is organised.
-Cynthia has paid the invoices and is trying to get all in early and paid so there aren’t any surprises.
-Might be worth getting fliers to go outside of the classes and have teachers asking parents as they see them. We well get a notice out to all parents with a reply slip for help as well as utilize Tiqbiz.

10. Fundraising Books: Still waiting for confirmation but it appears that we have made $533 from the entertainment books this year.
