Footsteps Program 2016

‘Join and Learn’ in our new Footsteps Program.

Children from a Non-English Speaking background, who are enrolled at Dorset Primary School for 2017, are invited to attend our weekly Footsteps Program at no cost.

English Language skills will be taught and practised in our Foundation classroom, where the children can learn the steps into speaking English language.
We will have hands on learning experiences, reading stories, singing, listening and speaking.
The children will take home an activity they can practise and share with their family.
