Dear Parents,

Now the children have settled into 3/ 4 A I would love to welcome parent and grandparent helpers into our classroom!

Our parent helpers are welcome to join us at any time of the day and do almost anything they want..........however.......I would absolutely love some parents to assist by simply listening to some children read.

You could help in one of the following ways........

- **Listening to children read** (nothing is better for reading development than an ear to read to!)

- **Assisting with Reading Group activities** (this might mean assisting completing an activity, assisting with finding information on the internet etc)

- **Assisting with Maths** (this might mean assisting children who need additional support with simple maths problems) or

- **Assisting with anything you like!**

I have attached a planner below that identifies times when we are in classroom and not at a specialist. I have not attached what we do at this time because I would love parents to hear students read at any time of the time. **Even 3:00 – 3:30pm!** Please remember that helpers do need to have a Working with Children check.

Please let me know if you can assist at any time or just come in (even for ½ an hour!).
