

NEWS FROM THE 1/2S

Term 2 - Weeks 7 and 8!

Mathematicians
hard at work!

In Reading:

The Year 1 and 2s have been focusing on finding the answers to their questions by using clues from the text and their prior knowledge to make inferences. They have been working on becoming reading detectives!

In Writing:

The Year 1 and 2s have been noticing the procedural texts all around us (e.g. recipes, game instructions) and creating their own to teach their audience how to do or make something. They have included a title, goal, materials and method, as well as, sequencing words and pictures to guide their readers through the text.

In Mathematics:

The Year 1 and 2s have continued to investigate the concept of time, specifically, reading times on an analogue and digital clock. They have also begun to explore multiplication, creating groups and arrays to solve such problems.

In the car on the way to school, during walks, whilst you're cooking dinner are all great times to help your child practise skip counting, friends of 10 & 20, doubles and reading the time to build their confidence with mental math!

Croydon Then and Now:

The Year 1 and 2s have been learning how Croydon has changed from the past to now through photos. They have been using the iPads to create a virtual book of photos and captions noting these differences.

UPCOMING EVENTS:

Queen's Birthday Holiday – Monday 11th June

Spell-a-bration – Wednesday 13th June

Responsible Pet Ownership – Friday 15th June

NOTICES TO RETURN:

- Spell-a-bration – by 20th June
- Chocolate Drive – by 31st July

Readers are being sent home daily. Thank you for your support of the home readers - they make an enormous difference in learning to read fluently!

If you have any queries about the home readers, please have a chat to your teacher!

COOKING: What's on the menu?

Week 9 – Banana Bread

Week 10 – Vegetable Soup

Week 11 – No Cooking
