Dear Parents,

The grade 6’s have been working hard at preparing for their graduation. The graduation song is progressing well and planning for the ceremony is well underway.

**Seating Request**

All seating notices have been returned with the required number of family members attending. Your family has requested and been allocated____________________seats. (Additional seats can be requested below)

**NOTE:** These seats are accounted for, but we do not allocate specific seating on the night. Seating is arranged on a ‘first in, best seated’ approach.

**Photos at Graduation**

Tatiana Thivant Photography has been booked for the event and will be taking photos of the students and family members from 4:30pm approx. onwards. The photos will be available for ordering at approximately 9:00pm that evening and will be displayed in the music room. Parents will be able to order photos on the night or at a later date via email.

Print sizes and prices:  
4x6’ = $4  
5’x7’ = $6  
10x8’ = $10

**Additional Seating**

At this point we are now able to accommodate some families that wish to bring more than the initial 6 family members. However, there is a limited number of additional seating available.

We will be closing requests for additional seating on Friday 4th of December. After this point we will distribute additional seating as equally and fairly amongst our grade 6 families as possible. Additional seats will, however, be placed on a *first in – first chosen* basis if necessary. You will be notified on Monday 7th of December of how many seats your family will have at graduation (if you requested further seats).

We apologise in advance that we may not be able to accommodate all requests for additional people but hope you understand that we have certain space requirements to adhere to.

**Please return the form below before Friday 4th of December.**

Many thanks,
Palma Coppa and Justin Mackay.
