Dear Parents,

This year the cooking program will commence for all Preps. We have many different recipes planned for the next two terms. Some healthy and some not so!!! The children thoroughly enjoy cooking and look forward each week to what we are going to make next. This is an important part of the literacy program as the children learn to write using a range of text types from their experience.

Cooking will run every Thursday morning for Preps. If you would like to be involved in this program please come and see your child’s teacher. The more parent helpers we have the better opportunity the children have at working in smaller groups.

For this program to be a success we ask that $15 be sent to school to cover the costs of ingredients. The $15 will cover cooking for Term One and Two.

**If your child suffers from any food allergies please advise your child’s teacher so a recipe can be adapted to suit.**

Thanking you,

Catherine Holt, Luke Seymour, Sarah Fraser, Grant Wilkinson and Steve Lynch (Prep Co-ordinator).

**Payment Type:**

( ) Cash  ( ) Cheque  ( ) Credit Card  ( ) BPAY

My child______________________________, in Grade__________, has allergies/sensitivities/anaphylaxis to the following food/s:

_________________________________________________________________________________________________
_________________________________________________________________________________________________
_________________________________________________________________________________________________

If exposed to the above foods, my child will have the following reaction/s:

_________________________________________________________________________________________________
_________________________________________________________________________________________________
Cooking in Prep Term 1- 2015

Below is a schedule for Term 1 Cooking in Prep. Although we are confident this schedule will remain unchanged, there may be unforeseen changes that may need to be made. We will notify parents as best we can when this occurs. If you have any questions regarding the food to be cooked/prepared or the ingredients that will be used in the food, please see your child’s teacher!

We understand that Term 1 does not contain the healthiest food possible but we like Term 1 to be fun and simple to get students and parents used to the Prep cooking routines.

— Thursday 19th February - Pancakes
— Thursday 26th February – Jelly & Fruit
— Thursday 5th March – Iced Teddy Bear Biscuit
— Thursday 12th March - Cupcakes
— Thursday 19th March – Vegemite Scrolls

In all cases where our students have allergies to certain ingredients / foods we will organize substitutes in consultation with parents.

Thanks,

Catherine Holt, Luke Seymour, Sarah Fraser, Grant Wilkinson and Steve Lynch (Prep Co-ordinator).
