DORSET PRIMARY SCHOOL

TWILIGHT

WORKING BEE!!

At this working bee we want to spruce up the school grounds near the end of the hall and Stephanie Alexander Gardens. The Playground equipment needs soft fall spreading and the drains and spouts need to be cleaned. There is always a lot to do, so bring gardening tools and good weather please.

It takes lots of hands to keep up the maintenance of our school and we are hoping to have plenty of helpers on Thursday 26th February at 5.00pm. Don’t forget to bring the kids. They can easily move things in a bucket and they love to help!

Remember this is the only way to redeem your Working Bee Levy paid with your yearly school contributions.

Thank you for your support in making our school a great environment.

A sausage sizzle will be provided.

Governance Committee
Dorset Primary School

Please return to school by Monday 23rd February 2015.

Name_________________________ Grade________________

I/We will be / will not be attending the working bee on Thursday 26th February at 5.00pm.
