

A Star is Born!

Dear Year 1 and 2 Parents,

Welcome to Year 1 and 2 in 2019! We know it is still holiday time, but we thought we might get a head start on an activity we will be completing in the first few weeks of this school year. Our 'Star is Born' activity is designed to help our students feel comfortable in their new classroom and empower them to get to know one another and build positive relationships.

To assist us with this could you please send along some (4-5) photos of your child. If possible the photos should reflect people, things, activities, animals etc that your child is engaged by. The pictures will be glued onto your child's poster so please only send photos for which you are happy for this to happen. These posters will be shared with your child's peers and will be displayed around the classroom to celebrate the wonderful diversity of talents, interests and personalities that we have here at Dorset.

If you have any queries about this please do not hesitate to contact your classroom teacher when we return. We thank you in advance, and look forward to getting to know you as the year progresses.

It would be greatly appreciated if these photos could be sent to school by or before Tuesday 5th February if you can!

Thank you for your support,

Regards,

Teachers of the Year 1/2 team.

Reminder: School begins for all Year 1 and 2 students on Thursday 31st of January.
