

# Dorset Primary School No.5132

## DOGS AT SCHOOL POLICY

### **PURPOSE**

To explain to our school community the rules and procedures we have in place in relation to dogs attending our school grounds.

### **POLICY**

#### **Assistance dogs**

Dorset PS understands its obligations under the *Disability Discrimination Act 1992* (Cth) and the *Equal Opportunity Act 2010* (Vic) and will make reasonable adjustments for members of our school community with a disability who require an 'assistance animal' to help alleviate the effects of their disability. Assistance animals are permitted to attend our school with their handler.

Our school Principal can lawfully ask a person to produce evidence that an animal:

- is trained specifically to assist a person alleviate the effects of a disability (eg seeing eye dogs)
- meets standards of hygiene and behaviour appropriate for a school environment.

We understand that in some circumstances, students may require an assistance animal to attend school to help them to participate in their educational program. Dorset PS will consider a request by a student with a disability to allow an assistance animal to attend school with them on a case-by-case basis. If you would like to discuss this further, please contact the Principal or the Assistant Principal.

#### **Pet dogs**

Dorset PS is not a public place, and our principal has the authority to permit or decline entry to school grounds and impose conditions of entry.

Whilst Dorset PS understands that many families in our school community keep dogs as pets, to ensure that our school remains a safe and inclusive place for everyone, pet dogs are not permitted on school grounds under any circumstances.

Our school community is diverse, and may include people that are allergic or uncomfortable around dogs. We are also conscious of the health hazards that may be posed by dogs.

We ask that families please leave their pet dogs at home, however, all dogs brought near school grounds must remain accompanied by an adult owner and not located or tethered near any entrances where students are reasonably expected to pass.

The Principal has the authority to modify this policy to ensure the safety and wellbeing of students, staff and members of our school community at any time.

#### **Unaccompanied or stray dogs**

Unaccompanied or stray dogs sighted at our school should be reported immediately to the Front Office. School staff will contact municipal authorities and/or Victoria Police for assistance in managing and removing a stray dog from school grounds, and ensure staff and students remain safe at school.
