

Dorset Primary School No.5132

ELECTRONIC FUNDS MANAGEMENT POLICY

PURPOSE

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

SCOPE

This policy applies to:

- All staff/responsible persons involved in management of funds transacted electronically
- All transactions carried out by Dorset PS via the methods set out in this policy

POLICY

Dorset PS has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls](#) of the Finance Manual for Victorian Government schools.

Implementation

Dorset PS School Council requires that all actions related to internet banking are consistent with The Department's [Schools Electronic Funds Management Guidelines](#).

Dorset PS School Council approves the use of Commbiz as the approved software for all payments from the Official Account pending approval from the Business Manager, Principal and Assistant Principal. Security tokens are required to perform transactions using Commbiz.

All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of School Council nominated by the School Council.

Dorset PS will undertake maintenance and upgrading of hardware and software as required.

Dorset PS will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

EFTPOS

The Principal of Dorset PS will ensure all staff operating the merchant facility are aware of security requirements:

- All EFT payments are processed by the Office Manager or Business Manager.
- School Council minutes must record which staff are authorised to process transactions.
- Cash withdrawals are not permitted on any school EFTPOS facility.
- Dorset PS will not accept EFTPOS transactions via telephone or post.
- Dorset PS will determine appropriate refund methods for EFT payments.

Direct Debit

- All direct debit payment agreements with creditors must be ratified by School Council prior to implementation.
- The School Council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account

- A direct debit facility allows an external source to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Dorset PS will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

Direct Deposit

- Dorset PS utilises a "two user authorisation of payments" banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.

The various internal controls that need to be considered include:

- The identification of staff with administrative responsibilities. Business Manager to access statements and upload batches.
- The identification of staff with authorisation/signatory responsibilities. The Principal and School Council delegate for the authorisation of payments.
- The Business Manager must not have banking authorisation/signatory responsibilities other than for the transferring of funds between school bank accounts.
- The allocation and security of personal identification number (PIN) information or software authorisation tokens.
- The setting up of payee details in CASES21.
- The authorisation of transfer of funds from the official account to payee accounts.
- Alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence.

BPay

Dorset PS School Council will approve in writing the School Council's decision for the utilisation of BPay. Payments made by BPay are subject to the same requirements as for all transactions relating to accounts such as:

- Purchase orders
- Tax invoices/statements
- Payment vouchers
- Signed screen prints and payee details
- Relevant CASES21 reports etc.

This includes a requirement for the Principal and School Council nominee to sign and date BPay transaction receipts attached to authorised payment vouchers.
