

# Foundation Cooking 2019

Dear Parents,

**Cooking at school is all about Speaking, Listening, Reading and Writing.....and having fun!  
We need you!!!**

Aside from learning some fundamental cooking skills and having a lot of fun, cooking also enriches our Literacy program with a focus on 'real-life' skills through reading a recipe and writing a procedure.

This will be a fun and dynamic experience in 2019 and we look forward to parents being a part of it!

Each cooking session runs from 9:00 – 10:00am and we warmly welcome all parents to come and assist us with the program. All you need is a current **Working With Children's Check** obtained online and registered at the office.

**The program will begin on: Thursday 28<sup>th</sup> February, 9 – 10am.**

**Our aim when planning our recipes is to have all preparing, cooking and washing up, completed by 11:00am. We value our parents' support and time. ☺**

The cost per student will be \$20. This will cover the cost of ingredients for Term 1 and 2 cooking sessions.

**Please see your child's teacher to discuss specific food requirements if you have not done so already.**

We hope to see you there. From the Foundation Teachers
