

## **Dorset Primary School No.5132 FUNDRAISING POLICY**

### **PURPOSE**

To provide parents/carers and other members of our school community with an overview of Dorset PS's approach to fundraising.

### **POLICY**

Fundraising is an important way for Dorset PS to raise money so that it can deliver additional learning opportunities, programs for students, improve school amenities and engage with members of the community.

School staff, members of the school community or the Dorset PS Community and Development Committee may want to undertake fundraising activities for Dorset PS. Dorset PS encourages all members of our school community to be involved in fundraising initiatives and School Council welcomes all proposals for fundraising in written correspondence.

Fundraising is a function of the School Council and Council must approve all fundraising events or activities on behalf of our school.

Throughout each school year, the School Council will approve any fundraising events or activities for the upcoming year. These events are subject to change depending on the views of the Community and Development sub-committee and the School Council.

In deciding whether or not to approve particular fundraising events or activities, the School Council will act in accordance with legal requirements, any relevant Department of Education and Training policy or guideline, and the Department's *Finance Manual for Victorian Government Schools*.

All money raised through fundraising, unless legally otherwise provided for, will be held on trust by the School Council for the general or particular purpose for which it was raised.

### **Fundraising for Charitable Causes**

Dorset PS, through the School Council, may also decide to fundraise for charitable causes. In deciding whether or not to fundraise for a particular charitable cause, School Council may:

- Consider whether the methods used to raise funds for any specific charitable appeal are appropriate
- Seek written advice from organisations promoting fundraising activities on the percentage of funds raised that are directed to the named charity
