

# 3B WANTS YOU!!!!

Dear Parents,

Now the children have begun their year in 3B I would love to welcome parent and grand-parent helpers into our classroom!

Our parent helpers are welcome to join us at any time of the day and do almost anything they want...however...I would absolutely love some parents to help in the **Stephanie Alexander Kitchen Garden Program** and during our **Reading** program.

You could help in one of the following ways.....

- **In the kitchen** (one adult per group makes the sessions run much more smoothly)
- **In the garden** (guiding and helping students through the tasks)
- **Reading 1: 1 with students** (students can never read to others enough)  
or
- **Assisting wherever you have time.**

I have attached a planner below that identifies times when we are in classroom and not at a Specialist. Please remember that helpers **do** need to have a Working with Children check which is quick and easy to organise.

**Please let me know if you can assist at any time or just come in (even for ½ an hour!).**
