

CLASS HELPERS

Year 1 and 2 2019

Classroom helpers begin week 3!!! (11th of February)

Having a parent helper in the classroom is much like having a second teacher, and contributes to a warm, happy and successful classroom. Every parent is welcome in our classrooms to assist in any way they feel comfortable. We want to see you there!

In order to help, all you require is a Working with Children Check (WWC forms available at the office) and to have previously attended our Parent Helper's Program. If you haven't attended these sessions but still want to help, please see Mrs Quigg or Mr Mackay.

See your child's classroom timetable on the notice board outside your child's classroom to sign up or simply see your child's teacher.
