Parent Payment Charges 2021

FOUNDATION

3rd December 2020

Dear Parents,

Due to the revised Department parent payment arrangements, the payment schedule has been revised to reflect these current changes.

To ensure we strive to provide a quality educational experience, School Council prepares a budget to fund the provision of resources for educational programs, administration, facilities development and maintenance. Dorset Primary School's income is currently funded from two sources:

1. **Department of Education & Early Childhood Development:** which provides funds towards the cost of school administration, utilities and services, staff salaries, urgent works, maintenance, cleaning and general school operations.
2. **Payments and contributions provided by our parent community: Locally raised funds** such as school fees, parent donations and fundraising are the **major source** of our educational and school program funding.
