SECONDARY EDUCATION GUIDES

Dear Parents,

Yesterday some students in Year 5 received a Secondary Education Guide. This guide provides parents with Secondary education options and Open Days information.

Unfortunately we did not receive enough for all our students to take one home. I have been in contact with the distributor and asked to have extra books sent out. These will arrive shortly.

If you are desperately keen to see a copy of this book, please don't hesitate in coming and seeing myself or Emily Bowman.

Year 6 students do not require these books, however if there are any year 6 parents that would like to browse a copy, come and see me.

Thanks

Jodi Wilkins and Emily Bowman
