

DORSET PRIMARY SCHOOL TWILIGHT WORKING BEE!!

WEDNESDAY 6th FEBRUARY – 3:30PM – 5:00PM

Dear Parents/Carers,

We need your help on Wednesday afternoon for our Twilight Working Bee. Our aim is to tidy up our school grounds following the school holidays.

We would like to focus our attention on ***weeding, sweeping the paths up to the hall, raking the soft fall in each of the playgrounds, tidying up the SAKG garden, pruning some shrubs and trimming back some overhanging branches.***

Please bring rakes, pruning equipment, blowers, wheelbarrows, brooms and weeding tools.

It takes lots of hands to keep up the maintenance of our school and we are hoping to have plenty of helpers.

Don't forget to bring the kids as they can easily move things in a bucket and they love to help! Any time that you can spend helping would be greatly appreciated.

CORDIAL AND BISCUITS WILL BE PROVIDED AT THE CONCLUSION OF OUR WORKING BEE

Please complete the slip at the bottom of the notice. This will help with the ordering of food supplies.

Remember your attendance and contribution will allow you to redeem the Working Bee Levy paid in your yearly school contributions.

Thank you for your support in maintaining our beautiful school environment.

Governance Committee
Dorset Primary School

Please return to school by Monday 4th February.

Name: _____ Grade: _____

_____ people from our family will be attending the working bee on Wednesday 6th February at 3:30pm.
